

Pop goes the party

THE fashion week after parties had clearly lost much of their fizz, thanks to the early deadline. The 'before' parties are not really the same when you are more worried about the photo ops in the front row that would follow. So it was up to Dino Morea and Nandita Mahtani, to get people (mostly their friends and members of their inner circle) on their feet and grooving at a pop up nightclub on Saturday night. Co hosted by luxury hotel entrepreneur Adarsh Jatia at his mid-town five-star, the party saw Sonakshi Sinha, a solo Dev Patel, Karan Johar, Ayan Mukerji, Ashish Raheja and Nargis Fakhri let their hair down till the wee hours of Sunday.
